This vast experience makes of Mr. Al Ameri an asset for many Multi National Company to set up in the State of Qatar or the Gulf Cooperation Council States.

EMERGENCY RESPONSE APPLICATION

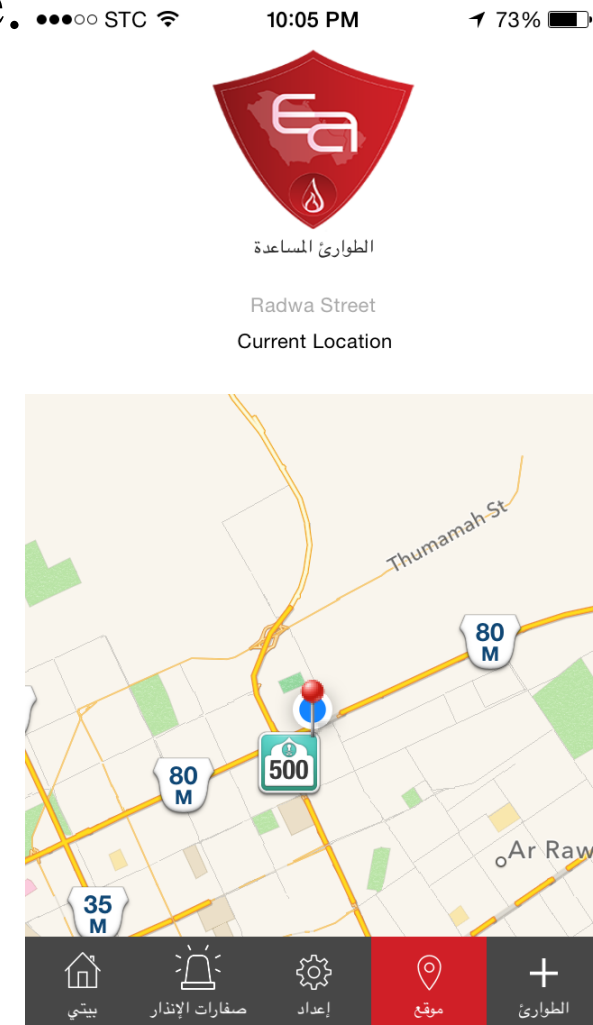

Every second counts in an emergency situation. Emergency Assistance vision is to build an app that can help users in case of emergency situation, on road, at home, office, mall etc

The Application helps you when you can't help yourself. The Application will locate your GPS position address and help to call emergency number or call a number that you set, or send sms to the same number or an alert to the command and control center. In addition it will allow emergency personnel to know your basic medical history i.e. allergies, Medical Conditions, family doctor details etc.

FEATURES

- ▶ Complete list of all the emergency departments with telephone numbers, nearest location i.e.
 - Police
 - Fire brigade
 - Ambulance
 - Hospitals
 - Electricity
 - Water
 - Multiple departments contact details
 - Your Current GPS location POI
- ▶ Ability to Call from the application & SMS

FEATURES

- Record Videos & Pictures
- Report emergency for others
- Single click call/sms/notification
- Record Important numbers and send notification to them
- Record Home and other important Location
- Theft or Robbery Silent Alert
- Share on social media with google maps for a help in nearby location
